Please Note

The registration fee must be paid before your appointment can be confirmed and considered valid. Sessions C, D and E follow the free 15-minute introduction. Session F is available after the successful completion of Session E.

What Each Session Offers

B • Introductory Consultation (15 min)

FREE

Basic information and guidance on living, working or studying in Germany, so you understand the available

opportunities and the initial steps to take.

C • Extended Consultation (30 min)

¥20,000 (\$20)

More detailed, personalised guidance tailored to your circumstances, goals and eligibility. Gain clarity and explore your options.

D • Extended One-Hour Consultation

¥30,000 (\$30)

A comprehensive session assessing your situation, addressing your concerns and exploring practical strategies, with clear recommendations and a structured plan.

E • Comprehensive Guidance (90 min)

¥50,000 (\$50)

An in-depth assessment of your profile, qualifications, personal data and goals, with tailored strategies, identified opportunities and follow-up email support where necessary.

- Profile and circumstances assessment
- Possible opportunities and pathways
- Guidance on qualifications and eligibility
- Next steps and best practices

F • Full Consultation and Personalised Support

Quoted per case

Available after Session E. May include identifying and contacting suitable institutions, guiding you through application processes, preparing or refining your CV and organising documents. Fees depend on your needs and level of support, and may be contingency-based under prior agreement and clearly defined terms.
